

IT services holding AndCompany acquires AMAN Media

Munich, Germany; 25 September 2022

AMAN Media GmbH is AndCompany Group's second portfolio company . Founded in 1997, AMAN Media has grown considerably in recent years, adding well-known companies in the automotive, consumer goods, medical technology, and insurance sectors as its customers. Digitalisation solutions, web portals, and IoT solutions are developed and implemented by 40 cloud and software specialists. As part of the transaction, AMAN's founder becomes a shareholder in AndCompany.

By joining forces with **AndCompany**, successful IT entrepreneurs benefit from close teamwork with complementary affiliated companies. AndCompany Holding provides a platform and the necessary infrastructure for successful further development. In addition, AndCompany offers a very appealing transition and succession arrangement and an excellent home for the portfolio companies, which continue to operate independently.

AndCompany was founded in January 2022 by **Rigeto Unternehmerkapital** as a buy-and-build approach for high-end IT services. For Rigeto Unternehmerkapital, this is the sixth platform in the software and technology sector.

BLOMBERG (Alexander Pupeter and Svetlana Heil) provided tax advice to AndCompany for this transaction. The same pair of advisors also played a role in AndCompany's first transaction.

BLOMBERG is a new high-end tax boutique based in Munich, Germany.

The law firm focuses on advising companies and investors, in particular on M&A transactions, corporate structuring issues, and disputes with tax authorities.
