

Financing round for luca Pay

Munich, Germany; 5 October 2022

luca, the well-known Covid app for contact tracking, is being transformed into a comprehensive digitalisation tool for the restaurant and event sector. luca Pay digitises the entire process – from check-in to ordering and payment in the app, and enables the restaurant sector to say goodbye to paperwork.

culture4life GmbH has developed the payment solution luca Pay in cooperation with the international payment service provider Rapyd. For this purpose, 30 million euros were raised in a financing round. The venture capitalists for culture4life GmbH include Target Global, The Delta, and embedded/capital.

BLOMBERG (Alexander Pupeter and Ramona Frenzel) provided tax advice to culture4life GmbH in cooperation with Lambsdorff Rechtsanwälte, Berlin (Louis Meyer).

BLOMBERG is a new high-end tax boutique based in Munich, Germany.

The law firm focuses on advising companies and investors, in particular on M&A transactions, corporate structuring issues, and disputes with tax authorities.
